Hi

I hope you all are enjoying the summer.

Attached is a file with the draft meeting notes for the June 22 meeting. Please feel free to provide any corrections or additions to the notes.

Also attached are the Navy and Northrop Grumman presentations from that meeting.

With respect to our next quarterly meeting in mid-October, could you let me, Jim Harrington and Pete Mannino know which dates do not work for you: October 14, 15, 27, 28, 29 all at 10:30 am; October 22 at 1:30 pm.

Thanks

Doug
